(a) Notwithstanding anything contained herein or in the Master Association Documents or the Act, neither the Master Association, the Board, the management company of the Master Association, nor Declarant(s) shall be liable or responsible for, or in any manner a guarantor or insurer of, the health, safety or welfare of any Owner or occupant of any Lot or any tenant, guest or invitee of any Owner or occupant or for any property of any such Persons. Each Owner and occupant of a Lot and each tenant, guest and invitee of any Owner or occupant shall assume all risks associated with the use and enjoyment of the Property, including all Recreational Facilities.

(b) Neither the Master Association, the Board, the management company of the Master Association, nor Declarant(s) shall be liable or responsible for any personal injury, illness or any other loss or damage caused by the presence or malfunction of utility lines or utility sub-stations adjacent to, near, over, or on the Property. Each Owner and occupant of a Lot and each family member, tenant, guest, and invitee of any Owner or occupant shall assume all risk of personal injury, illness, or other loss or damage arising from the presence of utility lines or utility sub-stations and further acknowledges that the Master Association, the Board, the management company of the Master Association, Declarant or any successor Declarant have made no representations or warranties, nor has any Owner or occupant, or any family member, tenant, guest, or invitee of any Owner or occupant relied upon any representations or warranties, expressed or implied, relative to the condition or impact of utility lines or utility sub-stations.

(c) Each Owner and occupant, and each family member, tenant, guest and invitee of any Owner or occupant acknowledges that the Property is located in the vicinity of wetland and swamp areas and that such areas may contain an abundance of wildlife, including deer, skunks, opossums, snakes, alligators, reptiles, rodents and pests. Neither the Master Association, the Board, the management company of the Master Association, Declarant, nor any successor Declarant shall be liable or responsible for any personal injury, illness or any other loss or damage caused by the presence of such wildlife on the Property. Each Owner and occupant of a Lot and each family member, tenant, guest, and invitee of any Owner or occupant shall assume all risk of personal injury, illness, or other loss or damage arising from the presence of such wildlife and further acknowledges that the Master Association, the Board, the management company of the Master Association, if any, Declarant or any successor Declarant have made no representations or warranties, nor has any Owner or occupant, or any family member, tenant, guest, or invitee of any Owner or occupant relied upon any representations or warranties, expressed or implied, relative to the presence of such wildlife.

Declarant, acting in its sole and absolute discretion, retains the right, but not the obligation, to engage in wildlife and fishery management plans and practices on the Property to the extent that such practices are permitted by applicable state and federal law. For the purpose of illustration and not limitation, this right includes the right to manage and control

any populations of deer, raccoons, and other wildlife through a variety of techniques, including organized hunting, shooting and trapping. Declarant hereby reserves the right to assign these management rights to the Association.

(d) No provision of the Master Association Documents shall be interpreted as creating a duty of the Master Association, the Board, the management company of the Master Association, nor Declarants to protect or further the health, safety or welfare of any Person(s), even if the funds of the Master Association are used for any such purpose.

Each Owner (by virtue of his or her acceptance of title to his or her Lot) and each other Person having an interest in or lien upon, or making any use of, any portion of the Property (by virtue of accepting such interest or lien or making such use) shall be bound by this Section and shall be deemed to have waived any and all rights, claims, demands and causes of action against the Master Association, the management company of the Master Association, if any, nor Declarant(s), their directors, officers, committee and Board members, employees, agents, contractors, subcontractors, successors and assigns arising from or connected with any matter for which the liability has been disclaimed.

4.5 Safety.

(a) The Master Association may, but is not obligated to, maintain or support certain activities within the Property designed to provide for the safety of the Members. All Owners and occupants of any Lot, and all family members, tenants, guests, and invitees of any Owner, acknowledge and understand that the Master Association, its Board and committees, the management company of the Master Association, and Declarant(s) are not insurers or guarantors of safety within the Property. Neither the Master Association, any management company of the Master Association, nor any Declarant shall be held liable for any loss or damage for failure to provide adequate safety or ineffectiveness of safety measures undertaken. Each Owner acknowledges, understands and shall be responsible for informing its tenants and all occupants of its Lot that the Master Association, its Board and committees, and Declarant(s) are not guarantors of security or safety and that each person using Property within the Project assumes all risks of personal injury and loss or damage to property including Lots, improvements thereon and the contents thereof, resulting from acts of third parties.

(b) The Declarant may, but is not obligated to, construct or install entryway gates at one or more of the entries to the development. In the event that Declarant elects to install any such gates, whether or not said gates are located on the Common Elements, said gates shall be operated and maintained by the Declarant or the Master Association in the Declarant's discretion, and the cost of said maintenance and operation shall be a Common Expense of the Master Association.

4.6 Provision of Services. The Master Association may provide services and facilities for the Members of the Master Association and their guests, lessees and invitees. The Master Association shall be authorized to enter into contracts or other similar agreements with other entities, including Declarant, to provide such services and facilities. The costs of services

and facilities provided by the Master Association may be funded by the Master Association as a Common Expense. In addition, the Board shall be authorized to charge additional use and consumption fees for services and facilities. By way of example, some services and facilities which may be provided include landscape maintenance, pest control service, cable television service, security, caretaker, fire protection, utilities, and similar services and facilities. The Board, subject to the terms of the contracts for facilities or services, but without the consent of the Members of the Master Association, shall be permitted to modify or cancel existing services or facilities provided, if any, or to provide additional services and facilities. Nothing contained herein can be relied upon as a representation as to what services and facilities, if any, will be provided by the Master Association. This paragraph shall be specifically construed to allow the Master Association to enter into a contract for the overall management of the Master Association with any individual or corporation. The Master Association or its managing agent shall also be permitted to provide services to any Subsidiary Association or Owners where it deems it to be in the interest of the Master Association to do so.

4.7 Change of Use of Common Elements. Upon (a) adoption of a resolution by the Board stating that, in the Board's opinion, a service provided by the Master Association pursuant to Section 4.6 or the then present use of a designated part of the Common Elements is no longer in the best interest of the Owners or is no longer necessary or appropriate for the purposes intended, and (b) the consent of Declarant during the Development Period, the Board shall have the power and right to terminate such service or change the use of any Common Elements (and, in connection therewith, construct, reconstruct, alter or change the buildings, structures and improvements thereon in any manner deemed necessary by the Board to accommodate the new use), provided that any such new use (i) shall be for the benefit of the Owners, (ii) shall be consistent with any deed restrictions and zoning regulations restricting or limiting the use of the Common Elements, and (iii) shall be consistent with the then effective Master Plan.

4.8 View Impairment. Neither Declarant nor the Master Association guarantees or represents that any view over and across any property, including any Lot, from adjacent Lots will be preserved without impairment. Any express or implied easements for view purposes or for the passage of light and air are hereby expressly disclaimed.

4.9 Relationship with Tax-Exempt Organizations. During the Development Period, the Declarant, and thereafter the Master Association, may create, enter into agreements or contracts with, grant exclusive and/or non-exclusive easements over the Common Elements to, or transfer portions of the Common Elements to non-profit, tax-exempt organizations, including but not limited to organizations that provide facilities or services designed to meet the physical or social needs of a particular group or class of persons, for the benefit of the Property, the Master Association, its Members and residents. The Master Association may contribute money, real or personal property or services to any such entity. Any such contribution shall be a Common Expense of the Master Association and included as a line item in the Master Association's annual budget. For the purposes of this Section, a "tax-exempt organization" shall mean an entity which is exempt from federal income taxes under the Internal Revenue Code

("Code"), such as but not limited to entities which are exempt from federal income taxes under Sections 501(c)(3) or 501(c)(4), as the Code may be amended from time to time.

4.10 Lakes, Ponds, and Other Water Features. Neither the Declarant, the Master Association, nor any of their successors, assigns, officers, directors, committee members, employees, management agents, contractors or subcontractors shall be liable or responsible for maintaining or assuring the water quality or level in any lake, pond, canal, creek, stream, waterfall, water feature, or other water body adjacent to or within the Property, except as such responsibility may be specifically imposed by an applicable governmental or quasi-governmental agency or authority. Furthermore, all Owners and other users of any portion of the Property located adjacent to or having a view of any of the aforesaid water bodies shall be deemed, by virtue of their acceptance of a deed to, or use of, such portion of the Property, to have agreed to hold harmless all of the parties listed above for any and all changes in the quality and level of the water in such water bodies.

Article 5. Maintenance.

5.1 Master Association's Responsibility.

(a) The Master Association shall provide Upkeep for the Area of Common Responsibility, which shall include, but need not be limited to:

(i) all Common Elements, all improvements upon the Common Elements, and all of the Stormwater Management Facilities regardless of location;

(ii) all Landscaping, parks, signage, structures, and improvements, including any bike, pedestrian and equestrian pathways and trails, situated upon the Common Elements;

(iii) all private roads and streets, including any asphalt repairs thereto, situated upon the Common Elements or utilized by the Master Association and Owners for access that are not Common Elements of any Subsidiary Association, specifically including any and all roads and streets that are offered to the City of Jacksonville or the North Carolina Department of Transportation (or any county or other governmental entity authorized to maintain roads) until the date that each such road or street is accepted by the City of Jacksonville or the North Carolina Department of Transportation (or by a county or other governmental entity authorized to maintain roads), provided that in the event that any roads or streets rights of way are offered for dedication and accepted by an authorized governmental entity for public maintenance, such public maintenance shall not have any impact on the Master Association's obligations to provide for the Upkeep of all Stormwater Management Facilities and other improvements within the public rights of way that are not maintained by the authorized governmental entity;

(iv) all walls and fences constructed by Declarant on any Lots which serve as perimeter walls for the Property or which separate any Lot from Common Elements which are not to be maintained by any Subsidiary Association;

(v) Landscaping, sidewalks, street lights, irrigation systems, and signage within public streets or other rights-of-way on or for the benefit of the Property which are not to be maintained by any Subsidiary Association;

(vi) all entry features, signs, and gates, including Landscaping and irrigation for the entry feature areas, and the provision of electrical service to said areas for the benefit of the Project.

(vii) Landscaping within any public utility easements and other easements within the Common Elements (subject to the terms of any easement agreement relating thereto);

(viii) any additional property included within the Area of Common Responsibility as may be dictated by this Declaration, any Supplemental Declaration, any Covenant to Share Costs, any Recorded Plat, or any contract or agreement for maintenance thereof entered into by the Master Association; and

(ix) any property and facilities owned by Declarant and made available, on a temporary or permanent basis, for the primary use and enjoyment of the Master Association and its Members and identified by written notice from Declarant to the Master Association until Declarant revokes such privilege of use and enjoyment by written notice to the Master Association. Said property and facilities may include without limitation roads, streets, or other access ways.

(b) The Master Association may also maintain and improve other property which it does not own, including, without limitation, property dedicated to public use, if the Board determines that such maintenance is necessary or desirable and if otherwise permitted by applicable law.

(c) Except as otherwise specifically provided herein, all costs for Upkeep of the Area of Common Responsibility shall be a Common Expense allocated among all Lots as part of the Base Assessment, without prejudice to the right of the Master Association to seek reimbursement from the Persons responsible for, such work pursuant to this Declaration, other recorded covenants, or agreements with such Persons.

5.2 Owner's Responsibility. Each Owner shall maintain his or her Lot (with the exception of those areas designated as common maintenance responsibility on the recorded maps), including any Unit, and all other structures, parking areas, Landscaping, and other improvements upon the Lot in a manner consistent with all applicable covenants, unless such maintenance responsibility is otherwise assumed by or assigned to a Subsidiary Association

pursuant to any Supplemental Declaration or other declaration of covenants applicable to such Lot.

In addition to any other enforcement rights, if an Owner fails properly to perform his or her maintenance responsibility, the Declarant during the Development Period or until the assignment of authority to the Master Association described in Section 3.1, and thereafter the Master Association, may perform such maintenance responsibilities and assess all costs incurred by the Declarant or the Master Association against the Lot and the Owner as a Benefited Assessment in accordance with Section 10.7. The Master Association shall afford the Owner reasonable notice and an opportunity to cure the problem prior to entry, except when entry is required due to an emergency situation.

Article 6. Insurance and Casualty Losses.

6.1 Authority to Purchase - Notice.

(a) The Board shall have the power on behalf of the Master Association to (1) purchase insurance policies relating to the Common Elements, (2) adjust all claims arising under such policies and (3) execute and deliver releases upon payment of claims. The cost of all insurance policies purchased by the Board relating to the Common Elements shall be a Common Expense. The Board, the managing agent and the Declarant shall not be liable for failure to obtain any coverages required by this Article or for any loss or damage resulting from such failure if such failure is due to the unavailability of such coverages from reputable insurance companies, or if such coverages are so available only at an unreasonable cost. Exclusive authority to negotiate losses under such policies shall be vested in the Board or with its authorized representative. The Board shall promptly notify the members of material adverse changes in, or termination of, insurance coverages obtained on behalf of the Master Association.

(b) Each such policy shall provide that:

(i) The insured waives any right to claim by way of subrogation against the Declarant, the Master Association, the Board, the managing agent, any member or the Owners and their respective households, guests, employees, customers, tenants, agents and invitees;

(ii) Such policy shall not be cancelled, invalidated or suspended due to the conduct of any member or any Owner, or such Owner's tenant or such Owner's (or tenant's) household, guests, employees, customers, agents and invitees, or of any member, Officer or employee of the Board or the managing agent without a prior demand in writing that the Board or the managing agent cure the defect and neither shall have so cured such defect within sixty (60) days after such demand; and

(iii) Such policy may not be cancelled or substantially modified (including cancellation for non-payment of premium) without at least thirty (30) days prior written notice to the Board or the managing agent.

(c) All policies of insurance shall be written by reputable companies licensed or qualified to do business in North Carolina.

(d) The deductible (if any) on any insurance policy purchased by the Board shall be a Common Expense; provided, however, that the Master Association may assess any deductible amount necessitated by the act, misuse or neglect of an Owner, or such Owner's tenant or such Owner's (or tenant's) household, guests, employees, customers, agents or invitees against such Owner.

6.2 Physical Damage Insurance.

(a) The Board shall obtain and maintain a blanket, "all-risk" form policy of fire insurance with extended coverage, vandalism, malicious mischief, sprinkler leakage (if applicable), cost of demolition, debris removal, and water damage endorsements, insuring any improvements located on the Common Elements, together with all service machinery contained or located therein and covering the interests of the Master Association, in an amount equal to one hundred percent (100%) of the then current replacement cost of any improvements located on the Common Elements (exclusive of the land, excavations, foundation and other items normally excluded from such coverage), without deduction for depreciation (such amount to be redetermined annually by the Board with the assistance of the insurance company affording such coverage). The Board shall also obtain and maintain appropriate coverage on all personal property and real estate other than the Common Elements owned by the Master Association.

(b) Each such policy shall also provide:

(i) a waiver of any right of the insurer to repair, rebuild or replace any damage or destruction, if a decision is made not to do so;

(ii) the following endorsements (or equivalent): (1) "no control" (to the effect that coverage shall not be prejudiced by any act or neglect of any occupant or Owner or their agents or any member when such act or neglect is not within the control of the insured or the Owners collectively, nor by any failure of the insured, any members or the Owners collectively, to comply with any warranty or condition with regard to any portion of the Property over which the insured, the members or the Owners collectively, have no control); (2) "cost of demolition"; (3) "contingent liability from operation of building laws or codes"; (4) increased cost of construction"; (5) "replacement cost"; and (6) "agreed amount" or elimination of coinsurance clause;

(iii) that any "no other insurance" clause expressly exclude individual members' and Owners' policies from its operation of that the physical damage policy purchased by the Board shall be deemed primary coverage and any individual members' or Owners' policies shall be deemed excess coverage, and in no event shall the insurance coverage obtained and maintained by the Board hereunder provide for or be brought into contribution with insurance purchased by individual Owners or their Mortgagees, unless otherwise required by law; and

(iv) such deductibles as to loss, but not coinsurance features, as the Board in its sole discretion deems prudent and economical.

6.3 Liability Insurance. The Board shall obtain and maintain comprehensive general liability, broad form endorsement (including libel, slander, false arrest and invasion of privacy coverage) and property damage liability insurance in such limits as the Board may from time to time determine, insuring each director, the managing agent and the employees of the Master Association against any liability to the public or to any member or any Owner or such Owner's tenant and such Owner's (or tenant's) household, guests, employees, customers, agents and invitees arising out of, or incident to the ownership or care, custody, control and use of the Common Elements or legal liability arising out of employment contracts of the Master Association. Such insurance shall be issued on a comprehensive liability basis and shall contain: (1) a cross-liability endorsement under which the rights of a named insured under the policy shall not be prejudiced with respect to an action against another named insured; (2) hired and non-owned vehicle coverage; (3) host liquor liability coverage with respect to events sponsored by the Master Association; (4) deletion of the normal products exclusion with respect to events sponsored by the Master Association; and (5) a "severability of interest" endorsement which shall preclude the insurer from denying liability coverage to an Owner or member because of negligent acts of the Master Association or of another Owner or member. The Board shall review such limits once each year, but in no event shall such insurance be less than One Million and No/100 Dollars (\$1,000,000.00) covering all claims for bodily injury or property damage arising out of one occurrence. Reasonable amounts of "umbrella" liability insurance in excess of the primary limits shall also be obtained in an amount not less than Three Million and No/100 Dollars (\$3,000,000.00).

6.4 Other Insurance. The Board may obtain and maintain such other insurance: (i) as the Board may determine advisable, or (ii) as may be required with respect to the Additional Property made subject to this Declaration by any Supplemental Declaration adding such Additional Property.

6.5 Separate Insurance on Lots.

(a) Each Owner shall have the right, but no obligation, to obtain insurance for such member's or Owner's benefit, at such member's or Owner's expense, covering the improvements located on such Owner's Lot or the Lot owned or maintained by such member. No member or Owner shall acquire or maintain insurance coverage on the Common Elements insured by the Master Association so as: (i) to decrease the amount which the Board may realize under any insurance policy maintained by the Board; (ii) to cause any insurance coverage maintained by the Board to be brought into contribution with insurance coverage obtained by a member or Owner; or (iii) in violation of any declaration of covenants encumbering such Owner's Lot. No member or Owner shall obtain separate insurance policies on the Common Elements owned by the Master Association.

(b) Owners may be required to obtain certain insurance coverages with respect to Additional Property that is added to the Property pursuant to Supplemental Declarations or Subsidiary Association documents.

Article 7. Conservation Areas.

7.1 Conservation Areas. The areas shown as conservation areas on the Recorded Plats and/or described in a Supplemental Declaration or Subsidiary Association documents as conservation areas shall be maintained in perpetuity in their natural or mitigated condition.

7.2 Conservation Areas Covenants. Supplemental Declarations or Subsidiary Association documents may establish specific covenants applicable to conservation areas included within the property subject to said Supplemental Declarations or Subsidiary Association documents.

Article 8. Permit and SEC Permit: Transfer, Responsibilities and Covenants.

8.1 Owner Obligation and Liability. Each Owner shall comply with the terms, conditions and obligations of the Permit and the SEC Permit in addition to the covenants, restrictions, and obligations described in this Declaration. Owners acknowledge that failure to comply with terms of the Permit and the SEC Permit may subject the Owner to liability and penalties in addition to enforcement under this Declaration. Consistent with the general responsibility to enforce the Association Documents described in Section 3.1 above, the Master Association shall be the primary party responsible for the enforcement of the Owner's obligations under this Article 8.

8.2 Transfer to and Acceptance by Master Association. Declarant shall, at its sole cost and expense, initially construct all Stormwater Management Facilities to the standards required by the Permit. At any time after completion of the initial construction of the Stormwater Management Facilities, Declarant may transfer the Permit and Declarant's responsibilities under the Permit to the Master Association and the Master Association shall accept such transfer. Thereafter, upon completion of the initial construction of the Stormwater Management Facilities required by the applicable Permit for any Additional Property annexed by Declarant into the Property pursuant to this Declaration, Declarant may transfer the applicable Permit and Declarant's responsibilities under the Permit applicable to the property annexed by Declarant into the Property to the Master Association. The Master Association shall accept the transfer from Declarant of the applicable Permit and responsibilities under the Permit. Transfers of any such Permit shall occur upon the date determined by the Declarant.

Declarant may, in its sole discretion, divide any North Carolina Stormwater Management Permit included in the Permit into multiple permits for any reason, including without limitation to facilitate transfer of a Permit to the Master Association. In the event that Declarant elects to divide a North Carolina Stormwater Management Permit, the Master Association shall cooperate with that division, including without limitation the execution of

applications or other documents required by the State of North Carolina Department of Environmental of Natural Resources or other authorized governmental agency, and acceptance or conveyance of portion of real property including Stormwater Management Facilities deemed appropriate by Declarant.

8.3 Master Association Indemnification. The Master Association shall indemnify and hold Declarant(s) harmless from any loss, cost, claim, fee, fine, suit, damage or expense, including reasonable attorneys' fees, incurred by Declarant(s) in the defense of any action against Declarant(s) as the responsible party under the Permit and any Permit applicable to any property annexed into the Property from and after the date Declarant(s) tender transfer of its responsibilities under the Permit to the Master Association. Further, Declarant may bring an action for specific performance of the obligations of the Master Association as set forth in to this Article 8.

8.4 Administration of Permit. From and after the transfer of Declarant's responsibilities under the Permit to the Master Association, the oversight, supervision, management and administration of the Permit shall be the sole responsibility of the Master Association. The Master Association's duties with respect to the Permit shall be carried out in accordance with the terms and conditions of the Association Documents and the Permit. The Master Association shall be responsible for the Upkeep of Stormwater Management Facilities in accordance with the Permit.

8.5 Easement for Upkeep and Enforcement. The Association and the permittee under the Permit hereby are granted and conveyed an easement over, under and upon each Lot for the purpose of access to and Upkeep of all Stormwater Management Facilities and facilities required by the SEC Permit and to enforce all requirements of the Permit and the SEC Permit.

8.6 Permit Covenants. The following covenants are intended to ensure ongoing compliance with the Permit as issued by the Division of Water Quality under NCAC 2H.1000:

(a) The State of North Carolina is made a beneficiary of these covenants to the extent necessary to maintain compliance with the Permit.

(b) These covenants are to run with the land and be binding on all persons and parties claiming under them.

(c) The covenants pertaining to stormwater may not be altered or rescinded without the express written consent of the State of North Carolina, Division of Water Quality.

(d) Alteration of the drainage as shown on the approved plans may not take place without the concurrence of the Division of Water Quality.

(e) The maximum allowable built-upon area per Lot is limited to a specific area. The allocated amount for the Lots included in the initial Property subject to this Declaration is set forth on Exhibit B attached hereto. The maximum allowable built-upon area for lots included in future phases shall be described in the Supplemental Declaration annexing these Lots and/or the Subsidiary Association documents. The allotted amount includes any built-upon area constructed within the Lot property boundaries, and that portion of the right-of-way between the front Lot line and the edge of the pavement of any street abutting such Lot. Built-upon area includes, but is not limited to, structures, asphalt, concrete, gravel, brick, stone, slate, coquina and parking areas, but does not include raised, open wood decking, or the water surface of swimming pools.

(f) Lots located within an Area of Environmental Concern ("AEC") as designated by CAMA may be subject to a reduction in the allowable built-upon area due to such CAMA regulations. In the case of a lot within CAMA's regulated AEC, where the Division of Coastal Management calculates a different maximum allowable built-upon area for that lot that is shown herein, the governing maximum built-upon area for that lot shall be the most restrictive of the two.

(g) All runoff on the Lot must drain into the permitted system. This may be accomplished through providing roof drain gutters, which drain to the street, grading the Lot to drain towards the street, or grading perimeter swales and directing them into the pond or street. Lots that will naturally drain into the system are not required to provide these measures.

(h) Built-upon area in excess of the permitted amount will require a permit modification.

(i) If permeable pavement credit is allowed, the Owner must submit a request, with supporting documentation, to the permittee under the Permit and receive approval prior to construction of built-upon area.

(j) A fifty foot (50') wide vegetated buffer must be provided adjacent any impounded structures, streams, rivers and tidal waters on each Lot. No built-upon area is allowed within this buffer.

Article 9. Annexation and Withdrawal of Property.

9.1 Annexation by the Declarant.

(a) During the Development Period, Declarant may unilaterally subject any real property to the provisions of this Declaration including without limitation any of the real property described on Exhibit C. Nothing in this Declaration or otherwise shall be construed to require Declarant, or any successor, to develop any Additional Property in any manner whatsoever. Nothing in this Declaration or otherwise shall be construed to encumber any real property other than the real property described on Exhibit A unless and until any Additional

Property is made subject to this Declaration by a Declarant, as evidenced by an executed and recorded Supplemental Declaration.

(b) Declarant may transfer or assign this right to annex property absolutely in its entirety, or with regard to specific property, and may assign this right to one (1) or more parties as deemed appropriate by Declarant.

(c) Such annexation shall be accomplished by filing a Supplemental Declaration in the Register of Deeds describing the property to be annexed and specifically subjecting it to the terms of this Declaration. Such Supplemental Declaration shall require the consent of the owner of such property, if other than Declarant. Any such annexation shall be effective upon the recording of such Supplemental Declaration in the Register of Deeds unless otherwise provided therein.

9.2 Withdrawal of Property. Declarant reserves the right to amend this Declaration without prior notice and without the consent of any Person, for the purpose of removing property then owned by Declarant, or the Master Association from the coverage of this Declaration. Furthermore, Declarant may withdraw any real property from the coverage of this Declaration without prior notice and without consent of any Person other than the Owner of the withdrawn property, but with the written consent of the fee simple owner of the real property to be withdrawn.

9.3 Additional Covenants and Easements. Declarant may unilaterally subject any portion of the Property subject to this Declaration to additional covenants and easements, including covenants obligating the Master Association to maintain and insure such property on behalf of the Owners. Such additional covenants and easements shall be set forth in a Supplemental Declaration filed either concurrently with or after the annexation of the subject property and shall require the written consent of the owner(s) of such property, if other than Declarant.

9.4 Amendment. During the Development Period, this Article shall not be amended without the prior written consent of Declarant.

9.5 Additional Members. Any property made subject to this Declaration pursuant to the provisions of this Article 9 shall be subject to all conditions and privileges of the Association Documents and Owners of any such annexed property shall be members of the Master Association.

Article 10. Assessments.

10.1 Creation of Assessments. Subject to the limitations described in Sections 10.2 and 10.3, the Master Association shall levy assessments against each Lot for Common Expenses as the Board may specifically authorize from time to time. There shall be three (3) types of assessments for Master Association expenses: (a) Base Assessments to fund Common Expenses for the general benefit of all Lots; (b) Special Assessments as described in

Section 10.6; and (c) Benefited Assessments as described in Section 10.7. Each Owner, by accepting a deed or entering into a recorded contract of sale for any Lot within any portion of the Property is deemed to covenant and agree to pay those assessments.

(a) All assessments, together with interest from the due date of such assessment at a rate determined by the Master Association (not to exceed the highest rate allowed by North Carolina law), late charges, costs, including lien fees and administrative costs, and reasonable attorneys' fees, shall be a charge and continuing lien upon each Lot against which the assessment is levied until paid, as more particularly provided in Section 10.9. Each such assessment, together with interest, late charges, costs, including lien fees and administrative costs, and reasonable attorneys' fees, also shall be the personal obligation of the Person who was the Owner of such Lot at the time the assessment was levied. Upon a transfer of title to a Lot, the grantee shall be jointly and severally liable with the grantor for any assessments and other charges due at the time of conveyance.

(b) Assessments shall be paid in such manner and by such dates as the Board may establish. Unless the Board otherwise provides, the Base Assessment for each Lot shall be due and payable in advance each year on the first day of the fiscal year of the Master Association. If any Owner is delinquent in paying any assessments or other charges levied on his or her Lot, the Board may require any unpaid installments of all outstanding assessments to be paid in full immediately.

(c) The Master Association shall, upon request by an Owner, furnish to any Owner a certificate in writing signed by an officer of the Master Association or authorized community manager setting forth whether assessments for such Owner's Lot have been paid and any delinquent amount. Such certificate shall be conclusive evidence of payment. The Master Association may require the advance payment of a reasonable processing fee for the issuance of such certificate.

(d) No Owner may exempt himself or herself from liability for assessments, by non-use of Common Elements, abandonment of his or her Lot or any other means. The obligation to pay assessments is a separate and independent covenant on the part of each Owner. No diminution or abatement of assessments or set-off shall be claimed or allowed for any alleged failure of the Master Association or Board to take some action or perform some function required of it or for inconvenience or discomfort arising from repairs or improvements or other action taken by it.

10.2 Declarant's Obligation for Assessments. The Declarant shall have no obligation for assessments during the Development Period. During the Development Period, Declarant may, at Declarant's sole election, advance to the Master Association the shortage for any fiscal year or any portion thereof. The "shortage" shall be the difference between:

(a) the amount of all income and revenue of any kind received by the Master Association, including but not limited to, assessments collected on all other Lots, use fees, and income from all other sources, and

(b) the amount of all actual expenditures incurred by the Master Association during the fiscal year, including any reserve contributions for such year, but excluding all non-cash expenses such as depreciation or amortization, all expenditures and reserve contributions for making additional capital improvements or purchasing additional capital assets, and all expenditures made from reserve funds. Calculation of the shortage shall be performed on a cash basis of accounting.

In the event that the Declarant elects to advance to the Master Association the shortage or any portion thereof for any fiscal year during the Development Period, such advances made by the Declarant shall be accounted for and cumulatively credited against the Declarant's obligation to pay assessments after the expiration or termination of the Development Period. Such credits shall be applied to the Declarant's obligations to pay assessments immediately after the expiration or termination of the Development Period, and each subsequent assessment period thereafter until such credits are entirely diminished. In the event that the Declarant is still entitled to said credit after both: (i) the expiration or termination of the Development Period, and (ii) the Declarant owns no more Lots, the Master Association shall pay the amount of the credit owed to Declarant promptly after said events.

The Declarant's obligation to pay assessments may be satisfied in the form of cash or by "in kind" contributions of services or materials, or by any combination of these.

10.3 Builders Obligations for Assessments. For the period of twelve (12) months from the date of the recording of a deed from Declarant for an Unimproved Lot to a Builder, the Base Assessment for such Unimproved Lot owned by a Builder shall be fifty percent (50%) of the Base Assessment determined pursuant to the budget. Upon the earliest to occur of: (i) conveyance of the Lot by the Builder to a different Owner, (ii) issuance of a certificate of occupancy for the home on the Lot, or (iii) occupancy of the home on the Lot, the full amount of the Base Assessment for all Lots shall be paid by the Owner of the Lot commencing on the first day of the first month after said event.

10.4 Computation of Base Assessment. The Declarant shall establish the initial budget for the Master Association including the initial Base Assessment for each Lot. Thereafter, not less than fifty (50) days before the beginning of each fiscal year, the Board shall prepare and adopt a budget covering the Common Expenses estimated to be incurred during the coming year. The budget shall include a capital contribution to establish a reserve fund in accordance with a budget separately prepared as provided in Section 10.5, but shall not include expenses incurred during the Development Period for initial development, original construction, installation of infrastructure, original capital improvements, or other original construction costs unless approved by Owners representing a majority of the total votes of the Master Association and Declarant. In determining the budget, the Board, in its discretion, may consider other sources of funds available to the Master Association. In addition, the Board shall take into account the number of Lots subject to assessment on the first day of the fiscal year for which the

budget is prepared and the number of Lots reasonably anticipated to become subject to assessment during the fiscal year.

Within thirty (30) days after adoption of any proposed budget by the Board, the Board shall provide to all Owners a summary of the budget and notice of a meeting to consider ratification of the budget, including a statement that the budget may be ratified without a quorum. The Board shall set a date for a meeting of the Owners to consider ratification of the budget, such meeting to be held not less than ten (10) nor more than sixty (60) days after mailing of the summary of the budget and notice of the meeting. There shall be no requirement that a quorum be present at the meeting. The budget is ratified unless, at that meeting, a majority of all the Owners in the Master Association rejects the budget. In the event the proposed budget is rejected, the periodic budget last ratified by the Owners shall be continued until such time as the Owners ratify a subsequent budget proposed by the Board.

The Base Assessment for the fiscal year shall be determined based upon the budget adopted by the Board and ratified by the Owners. The amount of Base Assessment shall be levied equally against all Lots, subject to the provisions of Sections 1.6, 10.2, and 10.3.

10.5 Reserve Budget and Special Reserve Assessment. The Board shall prepare, on an annual basis, reserve budgets for general purposes which take into account the number and nature of replaceable assets, the expected life of each asset, and the expected repair or replacement cost of each asset. Such reserve budgets may also anticipate making additional capital improvements and purchasing additional capital assets. The Board shall include in the Base Assessments reserve contributions in amounts sufficient to meet these projected needs, if any.

The Board may adopt resolutions regarding the expenditure of reserve funds, including policies designating the nature of assets for which reserve funds may be expended. Such policies may differ for general Master Association purposes. Neither the Master Association nor the Board shall adopt, modify, limit or expand such policies without Declarant's prior written consent.

10.6 Special Assessments. In addition to other authorized assessments, the Board may levy Special Assessments from time to time to cover unbudgeted expenses or expenses in excess of those budgeted. Such Special Assessments shall be approved at a meeting of the Board and shall become effective upon approval by the Board provided that Declarant may disapprove such Special Assessments during the Development Period. Special Assessments shall be payable in such manner and at such times as determined by the Board and may be payable in installments extending beyond the fiscal year in which the Special Assessment is approved.

10.7 Benefited Assessments. The Board may levy Benefited Assessments against particular Lots for expenses incurred or to be incurred by the Master Association, as follows:

(a) to cover costs incurred in bringing the Lot into compliance with the terms of the Association Documents and the Act or costs incurred as a consequence of the conduct of the Owner or occupants of the Lot, their family members, tenants, invitees, or guests; provided, the Board shall give the Lot Owner prior written notice and an opportunity for a hearing before levying a Benefited Assessment under this section;

(b) as provided in the Association Documents;

(c) to recover costs incurred as a result of an Owner's failure to comply with the Permit; and

(d) for a violation of the Association Documents by an Owner and the cost of enforcement of the same.

10.8 Date of Commencement of Assessments. The obligation to pay assessments shall commence as to each Lot on the first day of the month following: (a) the date the Lot is made subject to this Declaration, or (b) the date the Board first determines a budget and levies assessments pursuant to this Article, whichever is later. The first annual Base Assessments against each Lot shall be adjusted according to the number of months remaining in the fiscal year at the time assessments commence on the Lot.

10.9 Lien for Assessments. All assessments authorized in this Article shall constitute a lien against the Lot against which they are levied, as provided in N.C. Gen. Stat. § 47F-3-116, until paid unless otherwise specifically precluded in this Declaration. The lien shall also secure payment of interest (subject to the limitations of North Carolina law), late charges, and costs of collection (including attorneys' fees, lien fees and administrative costs). Such lien shall be superior to all other liens, except (a) the liens of all taxes, bonds, assessments, and other levies which by law would be superior, and (b) the lien or charge of any first Mortgage of record (meaning any recorded Mortgage with first priority over other Mortgages) made in good faith and for value. The Master Association may enforce such lien, when any assessment or other charge is delinquent, by suit, judgment, and foreclosure.

The sale or transfer of any Lot shall not affect the assessment lien or relieve such Lot from the lien for any subsequent assessments. However, a Mortgagee holding a first Mortgage of record or other purchaser of a Lot who obtains title pursuant to foreclosure of the Mortgage shall not be personally liable for assessments on such Lot due prior to such acquisition of title. Such unpaid assessments shall be deemed to be Common Expenses collectible from Owners of all Lots subject to assessment, including such acquirer, its successors and assigns.

10.10 Failure to Assess. Failure of the Board to fix assessment amounts or rates or to deliver or mail each Owner an assessment notice shall not be deemed a waiver, modification, or a release of any Owner from the obligation to pay assessments. In such event, each Owner shall continue to pay Base Assessments on the same basis as for the last year for which an assessment was made, if any, until a new assessment is made, at which time the Master Association may retroactively assess any shortfalls in collections.

10.11 Exempt Property. The following property shall be exempt from payment of Base Assessments and Special Assessments:

- (a) all Common Elements;
- (b) all property dedicated to and accepted by any governmental authority or Utility Company; and
- (c) all property owned by the Declarant during the Development Period.

In addition, Declarant and/or the Master Association shall have the right, but not the obligation, to grant exemptions to certain Persons qualifying for Section 501(c) status under the Internal Revenue Code so long as such Persons own property subject to this Declaration for purposes listed in Section 501(c).

10.12 Initial Working Capital Fund. Upon the first conveyance of a Lot by a Builder or Declarant to an Owner other than a Builder, such Owner shall contribute at the closing of said Lot an amount equal to one-sixth (1/6) of the annual Assessment levied for the current fiscal year against such Lot, said sum to be paid to the Master Association. The sum is not an advance payment of any installment of the annual Assessment, but shall be utilized to establish the initial working capital fund for the Master Association. Such sum may also be utilized to reimburse Declarant the exact cost of any premiums or insurance policies purchased for the benefit of the Master Association by Declarant.

Notwithstanding the above, the following conveyances shall not constitute the first conveyance by a Builder or Declarant: (i) conveyance of a Lot from the Declarant or a Builder or lender of a Declarant or Builder through foreclosure or by Deed in Lieu of foreclosure, (ii) conveyance of ten (10) or more lots by a purchaser through foreclosure or Deed in Lieu of foreclosure, or (iii) conveyance of a Lot to a Declarant or Builder.

Article 11. Architectural and Design Standards.

The Subsidiary Association documents may include provisions regarding architectural review and control regarding improvements to the Lots, Units, and property. Any such provisions shall not apply to the activities of Declarant or to improvements to the Common Elements by or on behalf of the Master Association.

Article 12. Plan of Development and Rules and Regulations.

12.1 Plan of Development: Applicability: Effect. Declarant has established a general plan of development and occupancy for the Property under this Declaration subject to the Master Association's and the Members' ability to respond to changes in circumstances, conditions, needs, and desires within the community. All provisions of this Declaration and any rules shall apply to all Builders, their contractors, builders, agents, and employees and to all other Owners, their family members, occupants, tenants, guests and invitees of any Lot.

Notwithstanding the Declarant's establishment of a general plan of development, the Declarant shall not be liable for any failure or alleged failure to police and/or enforce the Association Documents.

12.2 Authority to Promulgate Rules.

(a) Subject to the terms of this Article, and in accordance with its duties of care and undivided loyalty to the Master Association and its Members, the Board may adopt rules and regulations permitted by, and not inconsistent with, the Act, including such rules and regulations relating to the use of, and parking and traffic, on public and private streets located within the Property. Said rules and regulations shall be applicable to all Owners except the Declarant(s).

(b) After the termination or expiration of the Development Period, the Owners, at a meeting duly called for such purpose, may adopt rules which modify, cancel, limit, or create exceptions to, adopted rules by a vote of Owners representing sixty-seven (67%) of the total vote.

(c) At least fifteen (15) days prior to the effective date of any action under subsections (a) or (b) of this Section, the Board shall send a copy of the rule to each Owner specifying the effective date of such rule. The Master Association shall provide, without cost, a copy of the rules then in effect to any requesting Member or Mortgagee.

(d) Nothing in this Article shall authorize the Board or the Owners to modify, repeal or expand the Declaration, the Bylaws, or the Articles. Such documents may be amended as provided therein. Notwithstanding anything to the contrary herein, no rules or regulations adopted pursuant to subsection (b) or (c) above shall be applicable to the Nonresidential Units without the written consent or approval of the Owners of ninety percent (90%) of the Nonresidential Units.

12.3 Owners' Acknowledgment and Limitations. All Owners are subject to this Declaration and are given notice that: (a) their ability to use their privately owned property is limited thereby, and (b) the Declarant, Board, and/or the Owners may adopt, delete, modify, create exceptions to, or amend the rules.

Each Owner by acceptance of a deed acknowledges and agrees that the use and enjoyment and marketability of his or her property can be affected by this provision and that the rules and regulations may change from time to time.

No rule or action by the Master Association or Board shall impede Declarant's right to develop the Property in accordance with the Master Plan, including, but not limited to, the rights of Declarant as set forth in Article 15.

Article 13. Easements.

13.1 Easements for Utilities, Access, Subdivision, Drainage.

Declarant and its designees shall have easements for access to and use of such facilities. Easements that may be established by Declarant shall include but shall not be limited to easements for development, construction and landscaping activities and utilities; or

(e) Impacts the ability of Declarant, its successors, assigns and/or affiliates to develop and conduct customer service programs and activities in a customary and reasonable manner.

14.7 Unimpeded Access. The Master Association shall not exercise its authority over the Common Elements (including, but not limited to, any gated entrances and other means of access to the Property) to interfere with the rights of Declarant set forth in this Declaration or to impede access to any portion of the Property over the streets and other Common Elements within the Property.

14.8 Additional Declarations/Restrictions. No Person shall record any declaration of covenants, conditions and restrictions, or declaration of condominium or similar instrument affecting any portion of the Property without Declarant's review and written consent during the Development Period. Any attempted recordation without such consent shall result in such instrument being void and of no force and effect unless subsequently approved by recorded consent signed by Declarant.

14.9 Governmental Interests. During the Development Period, Declarant may designate sites within the Property for fire, police and utility facilities, and parks, and other public facilities in accordance with the Master Plan and applicable laws. The sites may include Common Elements if otherwise permitted by the Master Plan.

Article 15. Compliance and Enforcement.

15.1 General Remedies. Every Owner and any occupant of any Lot shall comply with the Association Documents, including without limitation the provisions of this Declaration, and the Act. Failure to comply shall be grounds for an action by the Master

Association to recover sums due, for damages, injunctive relief or any other remedy available at law and equity or under the Act.

15.2 Enforcement/Sanctions. The Board, or such other Master Association agent with the Board's approval, may impose sanctions for violations of Association Documents after notice and a hearing in accordance with the procedures set forth in the Declaration. Such sanctions may include, without limitation:

(a) Imposing reasonable monetary fines which shall constitute a lien upon the Lot of the violator;

(b) Suspending an Owner's right to vote;

(c) Suspending any Person's right to use any Recreational Facilities within the Common Elements; provided, however, nothing herein shall authorize the Board to limit ingress or egress to or from the Lot;

(e) Levying Benefited Assessments to cover costs incurred in bringing a Lot into compliance in accordance with Section 10.7.

15.3 Self-Help Remedies. The Board, or such other Master Association agent with the Board's approval, may elect to enforce any provision of the Association Documents by self-help (specifically including, but not limited to, the towing of vehicles that are in violation of parking rules and regulations in accordance with any applicable ordinance(s) of Onslow County, North Carolina) or by suit at law or in equity to enjoin any violation or to recover monetary damages or both without the necessity of compliance with the procedures set forth in Section 15.7 or in the Bylaws.

15.4 Cumulative Remedies. The Master Association shall have all powers and remedies under the Act and the Association Documents which shall be cumulative of any remedies available at law or in equity.

15.5 Master Association's Right Not to Take Action. The Master Association shall not be obligated to pursue enforcement action in any particular case, such decisions to be within the discretion of the Board, except that the Board shall not be arbitrary or capricious in taking enforcement action. Without limiting the generality of the foregoing, the Board may determine that, under the circumstances of a particular case: (a) the Master Association's position is not strong enough to justify taking any or further action; or (b) the covenant, restriction or rule being enforced is, or is likely to be construed as, inconsistent with applicable law; or (c) although a technical violation may exist or may have occurred, it is not of such a material nature as to be objectionable to a reasonable person or justify expending Master Association funds; or, (d) it is

not in the best interest of the Master Association, based upon hardship, expense or other reasonable criteria, to pursue enforcement action.

Such a decision shall not be construed a waiver of the right of the Master Association to enforce such covenant, restriction, rule or provision at a later time under other circumstances or preclude the Master Association from enforcing any other covenant, restriction, rule or provision, nor shall it preclude any Owner from taking action at law or in equity to enforce the Master Association Documents.

15.6 Enforcement by Owner. Nothing set forth in this Article 15 shall prevent any aggrieved Owner from instituting any available remedy in law or in equity for a violation of the Association Documents.

15.7 Hearing Procedures. Except as may be otherwise specifically authorized by the Association Documents, and permitted by the Association Documents, the Board shall not (i) impose a fine or penalty, (ii) undertake permitted remedial action, or (iii) suspend voting or infringe upon other rights of a Member or other occupant of a Lot or Unit for violations of the Association Documents, or for assessments or other amounts due and owing to the Association remaining unpaid for a period of thirty (30) days, or longer, unless and until the following procedure is completed:

(a) Notice. The Board, or an adjudicatory panel appointed by the Board, shall serve the Responsible Person. The "Responsible Person" shall be any Member, Owner, or occupant of a Lot or Unit with a written notice of a hearing to be held by the Board of the Master Association in executive session or an adjudicatory panel appointed by the Board; provided, however, any adjudicatory panel appointed by the Board shall be composed of members of the Master Association who are not officers of the Master Association or members of the Board. The notice shall contain: (i) the nature of the alleged violation; (ii) the time and place of the hearing, which shall not be less than ten (10) days from the giving of the notice; (iii) an invitation to attend the meeting and produce any statement, evidence and witness on his or her behalf; and (iv) the proposed sanction to be imposed. The notice prescribed herein may be served by mailing a copy of said notice to the alleged violator by placing said notice in the United States mail, postage prepaid, by any method as permitted for the service of summons as set forth in Rule 4 of the North Carolina Rules of Civil Procedure or by the delivery of said notice by an officer, director or agent of the Master Association to the Responsible Person or to any person who may be served on the Responsible Person's behalf as provided in said Rule 4.

(b) Hearing. The hearing shall be held in executive session of the Board or an adjudicatory panel appointed by the Board pursuant to the notice affording the member a reasonable opportunity to be heard. Any adjudicatory panel appointed by the Board shall be composed of Members who are not officers of the Master Association or members of the Board. Prior to the effectiveness of any sanction hereunder, proof of notice and the invitation to be heard shall be placed in the minutes of the meeting. Such proof shall be deemed adequate if a copy of the notice, together with a statement of the date and manner of deliver, is entered by the officer, director, or agent who delivered such notice. The notice requirement shall be deemed satisfied if

the Responsible Person appears at the meeting. The minutes of the meeting shall contain a written statement of the results of the hearing and the sanction, if any, imposed. In addition, a written statement of the results of the hearing and the sanction, if any, imposed shall be mailed by the United States mail, postage prepaid, by the Master Association to the violator.

(c) Appeal. If the hearing is held before an adjudicatory panel, following such hearing and notice of a decision adverse to the violator, the Responsible Person shall have the right to appeal the decision to the Board. To perfect this right, a written notice of appeal must be received by the managing agent of the Master Association, President or Secretary of the Master Association within fifteen (15) days after the date of the decision, said written notice to contain information by which the Board may notify the Responsible Person of the date of the appeal hearing. If no adjudicatory panel is appointed by the Board, no right of appeal shall exist.

(d) Sanction as Assessment. Pursuant to the provisions of this Section, a fine may be imposed by the Master Association is an amount not exceeding One Hundred and No/100 Dollars (\$100.00) (or any greater amount as may be provided otherwise by law or the Act) per violation of the Association Documents and without further hearing, for each day more than five (5) days after the decision to impose such fine that the violation occurs. Any such fine shall be an assessment as set forth in this Declaration and the Act. If it is decided pursuant to the provisions of this Section that a suspension of privileges or services should be imposed, the suspension may be continued without further hearing until the violation or delinquency is cured.

Article 16. General Provisions.

16.1 Term. This Declaration shall run with and bind the Property, and shall inure to the benefit of and shall be enforceable by the Master Association or any Owner, their respective legal representatives, heirs, successors, and assigns, until the planned community Carolina Plantations is terminated pursuant to the Act.

16.2 Amendment.

Thereafter, Declarant may unilaterally amend this Declaration if such amendment is: (i) necessary to bring any provision into compliance with any applicable governmental statutes, rule, regulation, or judicial determination; (ii) necessary to enable any reputable title insurance company to issue title insurance coverage on the Lots; (iii) required by an institutional or governmental lender or purchaser of Mortgage loans, including, for example, the Federal National Mortgage Association or Federal Home Loan Mortgage Corporation, to enable it to make or purchase Mortgage loans on the Lots; (iv) necessary to enable any governmental agency or reputable private insurance company to guarantee or insure Mortgage loans on the Lots; or (v) otherwise necessary to satisfy the requirements of any governmental agency for approval of this Declaration. However, any such amendment shall not adversely affect the title to any Lot unless the affected Owner shall consent thereto in writing.

(b) By Owners. Except as otherwise specifically provided in this Declaration, this Declaration may be amended only by the affirmative vote or written consent, or any combination thereof, of Owners representing sixty-seven percent (67%) of the total votes in the Master Association. During the Development Period, the Declarant's written consent shall be required for any amendment to the Declaration.

Notwithstanding the above, the percentage of votes necessary to amend a specific clause shall not be less than the prescribed percentage of affirmative votes required for action to be taken under that clause.

(c) Validity and Effective Date of Amendments. Amendments to this Declaration shall become effective upon recordation in the Register of Deeds unless a later effective date is specified therein. In no event shall a change of conditions or circumstances operate to amend any provisions of this Declaration.

If an Owner consents to any amendment to this Declaration or the Bylaws, it will be conclusively presumed that such Owner has the authority so to consent, and no contrary provision in any Mortgage or contract between the Owner and a third party will affect the validity of such amendment.

16.3 Termination. The Carolina Plantations planned development may only be terminated: (i) in accordance with the provision of N.C.G.S. § 47F-2-118, and (ii) during the Development Period, with the written consent of the Declarant.

16.4 Litigation. (a) Except as provided in Section 16.4(b) below, no judicial or administrative proceeding shall be commenced or prosecuted by the Master Association unless approved by sixty-seven percent (67%) of the votes in the Master Association and the consent of Declarant during the Development Period. This Section shall not apply, however, to: (a) actions brought by the Master Association to enforce the provisions of the Association Documents (including, without limitation, the foreclosure of liens); (b) the imposition and collection of assessments as provided in Article 10; (c) proceedings involving challenges to ad valorem taxation; or (d) counterclaims brought by the Master Association in proceedings instituted against it. This Section shall not be amended unless such amendment is approved by the percentage of votes, and pursuant to the same procedures, necessary to institute proceedings as provided above.

(b) No judicial, quasi-judicial, administrative or governmental proceeding shall be commenced or prosecuted by the Master Association against or involving Declarant unless approved by seventy-five percent (75%) of the votes in the Master Association.

16.5 Severability. Invalidation of any provision of this Declaration, in whole or in part, or any application of a provision of this Declaration by judgment or court order shall in no way affect other provisions or applications.

16.6 Use of the Words "Carolina Plantations". No Person shall use the words "Carolina Plantations" or any derivative, or any other term which Declarant may select as the name of this development or any component thereof, in any printed or promotional material without Declarant's prior written consent. However, Owners may use the words "Carolina Plantations" in printed or promotional matter solely to specify that a particular property is located within the Property, and the Master Association shall be entitled to use the words "Carolina Plantations" in its name.

16.7 Notice of Sale or Transfer of Title.
