Street Disclosure Statement

All streets hereon have been offered to the State for dedication to public use, but have not been accepted by the State as of this date. The developer shall immediately petition the North Carolina Department of Transportation to accept the streets upon construction of the streets and satisfaction of the Department's residency requirements. The developer shall be responsible for maintenance of all streets and protection of rights-of-way until such streets are accepted into the state road system or other public system, or until such streets are conveyed to an owners association which association is required to maintain the streets, if not accepted by the DOT or other public entity. The developer has provided the County with a maintenance guarantee for these purposes.

22. The GPS portion of the control work was performed to third order, Class I, FGCC specifications. The coordinates were obtained by Real Time Kinematic Differential GPS Observations using Trimble Survey Grade 5800 GPS Unit, NCGS RTK Network Adjustments to NC Grid NAD '83, 2007 Adjustments.

I, Edwin N. Foley, Professional Land Surveyor L-2884, certify to one or more of the following as indicated:

- (A) That the survey creates a subdivision of land within the area of a county or municipality that has an ordinance that regulates parcels of land;
- (B) That the survey is located in a portion of a county or municipality that is unregulated as to an ordinance that regulates parcels of land;
- (C) Any one of the following:
 1. That the survey is of an existing parcel or parcels of land and does not create a new street or change an existing street.
 2. That the survey is of an existing building or other structure, or natural feature, such as a watercourse; or
 3. That the survey is a control survey.
- (D) That the survey is of another category, such as the recombination of existing parcels, a court-ordered survey, or other exception to the definition of subdivision.
- (E) That the information available to the surveyor is such that the surveyor is unable to make a determination to the best of the surveyor's professional ability as to provisions contained in (A) through (D) above.
